## FOREWORD

---

In the preparation of this Journal the committee has sought to accomplish three things: a clear attractive form; a handbook of useful information, and accuracy in names, addresses and reports. Much care has been given to these things. All statistics have been verified by the Burroughs Adding Machine Co.

Many Journals were examined and suggestions freely borrowed from them. While we have a measure of pride in this Journal, we are not satisfied—It will require the cooperation of every preacher in the conference to make the Journal what it should be.

### Bishop Enoch Marvin

ifty years hence—we cannot doubt it—there will be a Methodist Church in the land, in poise amid the factions of the hour, pure amid temptations, her candlestick still in place, her light burning with inspiration and faith, her eyes lifted, her hands clean from bribes, her robes of linen clean and white; the righteousness of saints washed in the blood of the Lamb, revered by all who love the Lord Jesus, hated only by his enemies; her children dwelling in peace, in the South and in the North, in the West and in the East, with Republican and Democrat, Radical and Conservative, alike calling her blessed. She will excite the suspicion and hatred of none by allying herself with an adverse party, upon issues that arouse the passions of the hour, but lie outside her sphere. She will move with a grand but quiet energy amid the affairs of men, the representative of Christ to all, the political ally or enemy of none. She will stand for Christ, recognized by all, upon a plane far above the level of those contests which come and go with the energy and swiftness of a tornado. She will abjure both the riches and the power which might reward a lewd and bewitching coquetry with some successful power of the State. She will be known, and loved, and hated, as the chaste spouse of Christ. Her character will give full force and meaning to the Word of God committed to her.”

## A QUADRENNIUM OF PROGRESS

The General Conference of 1914 advised that as far as practicable the Bishops be assigned to the same district for a full quadrennium.

Bishop E. R. Hendrix became Senior Bishop at this Conference. He was assigned to the Missouri Conferences, his "home" Conferences, and came with a **program** and a **purpose**. "**Together**" was the slogan.

In the autumn of 1914 **Efficiency Conferences** were held at Moberly, Kansas City and St. Louis. Careful plans for a forward movement were outlined and the work was begun.

The first year saw the completion of the \$500,000.00 endowment fund for Central College.

In October, 1915, a State Conference of workers was held in St. Louis.

The goal for the second year was the **enrollment** of **thousands** in the Sunday Schools and the **standardization** of the Sunday School work.

The **third** year was devoted to the specific work of soul winning, the increasing of our membership in the state to 150,000, and the Celebration of the Centennial of Missouri Methodism.

A bronze tablet, bearing the likenesses of Bishops McKendree, Marvin and Hendrix, was placed at the respective meeting places of the three Missouri Conferences, and appropriate services commemorating the great historic event were held.

On the morning of the unveiling of the tablet, Bishop Hendrix spoke from the chair as follows:

"My brethren, you will pardon a word from the chair this morning. How many men like McKendree would be necessary to reach back to the day of our Lord Jesus Christ? Just twenty-four! Just twenty-four! When Bishop Paine died in 1882, I wrote an article on how many lives would be necessary to reach back to Jesus Christ, and now Dr. Rivers has incorporated that article in his life of Paine, and the dear, good Doctor welcomed me into the Episcopacy as one whom Bishop McKendree ordained; and by his last wish there was transmitted to me his ordination papers, signed by McKendree. Now just twenty-four men of eighty years of age, taking the full limit to which we are entitled of four score, would reach back to the days of Jesus Christ, with a little margin. Isn't it marvelous? Just two sets of apostles—twenty-four. God has thus written the history of His kingdom in the world by holy men. No wonder God's son staked everything on men, men, consecrated men; men called by God with unction from on high.

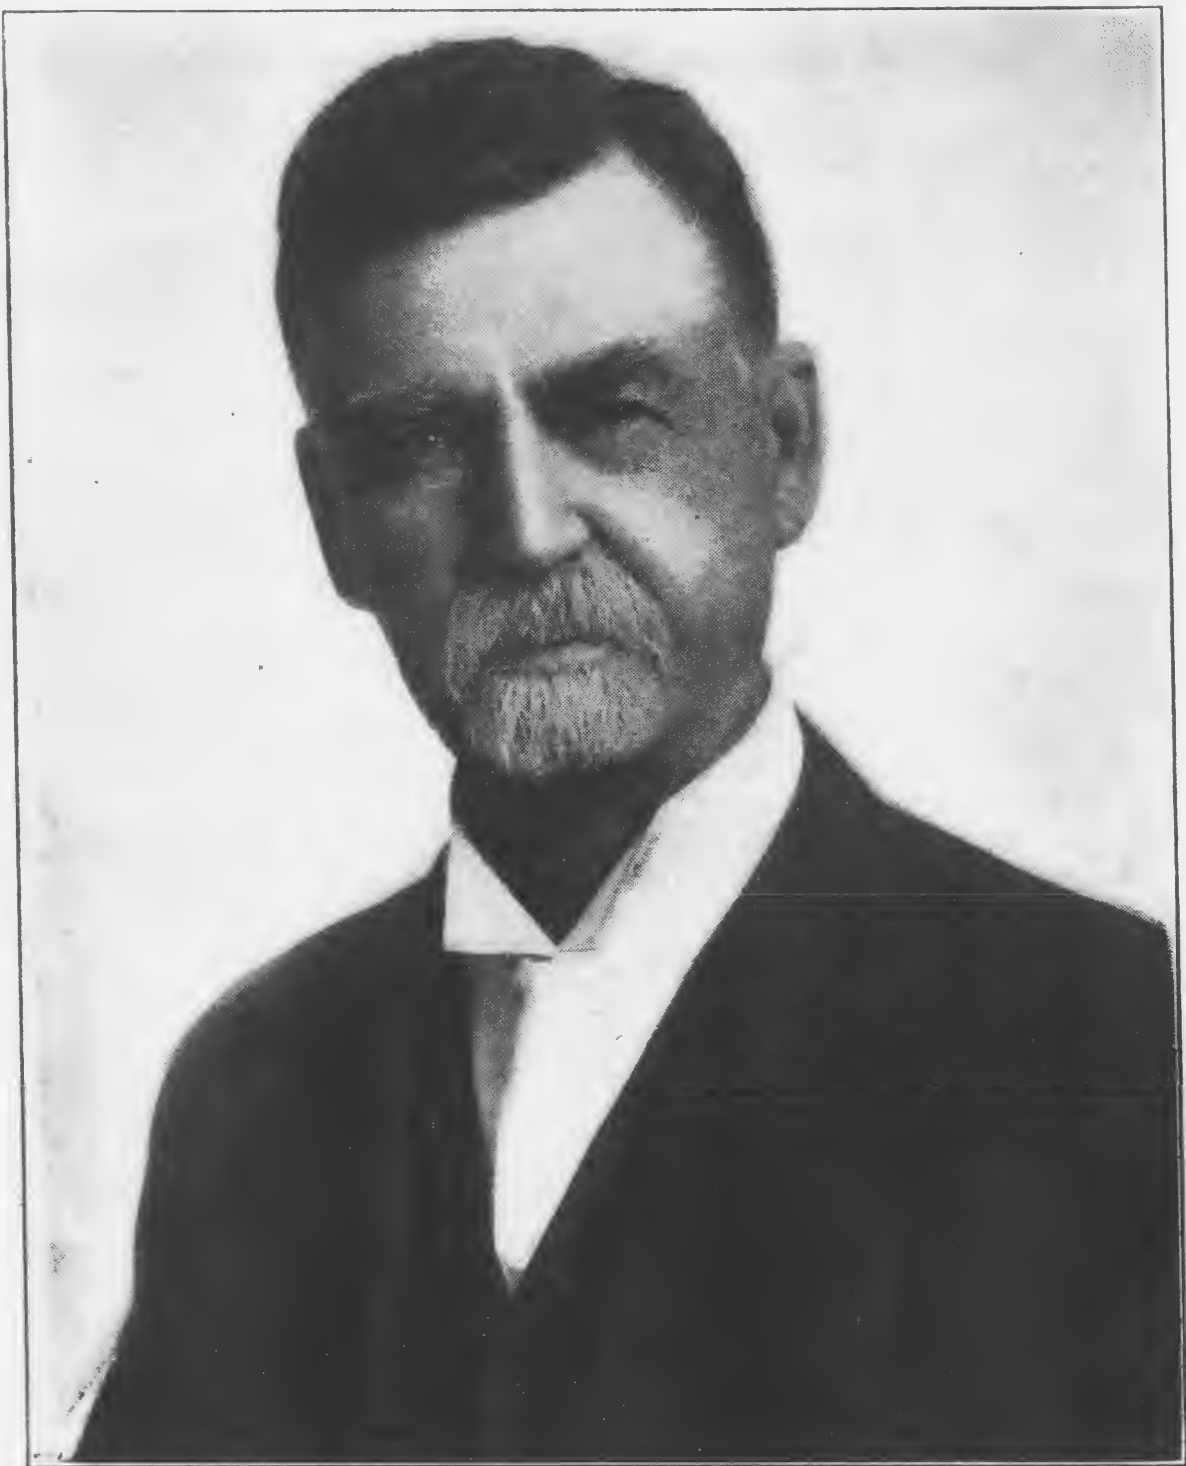

"It isn't a long history since our Lord was here, in terms of just such men as these. McKendree died at 78. The lives of those three men there on that tablet, though they just span the century in their labors, aggregate more than two centuries of time. McKendree 78, Bishop Marvin 54, the youngest of them all, of whom Bishop McTyiere said as we stood looking at his pallid face in the coffin, "He died too young." Then another's name appears there, though unworthy, at 69, and their aggregate ages

reach more than 200 years. We are not to be taken one after the other, but our serving together helps us to make up the marvelous worth of the kingdom. And so I have been thinking this morning, since I awoke, that the ages of this Conference here would amount, though working together, to more than all the years since the world heard the angelic chorus announce, "Peace on earth, good will to men!" Marvelous record! God bids us take the shoes off our feet for the ground on which we stand is holy. It is fitting that we should celebrate the Centennial of a hundred years of Christian labor on the part of God's chosen ambassadors. Many great names are there of which much will be said during the course of the week. But these great men have passed on before, and their work is not yet complete without us. For the greatest work of a Christian is to make perfect the work of his fathers. God give us the spirit of devotion throughout this Conference!"

Four years of wise, progressive leadership has wrought wonderful results. Some districts have advanced more during the quadrennium than the fifteen years preceding.

Missouri Methodism was never so united, so strong, so well organized, so hopeful. And to the leadership of our Senior Bishop, E. R. Hendrix, a prophet who has honor in his own country, this is largely due.

At the Conference held in Neosho, Bishop Hendrix announced that he had dedicated 273 churches and ordained 1,501 in orders. May this wise leader be long spared to the church.

**REV. CHARLES CARROLL WOODS, D. D.**

**Associate Editor: St. Louis Christian Advocate, 1898-1914.**

**Editor: 1914-1917. Editor Emeritus: 1917—**

Dr. Woods entered the ministry of the Methodist Episcopal Church, South, in 1860, joining the St. Louis Conference. In 1870 his appointment fell within the boundaries of the newly formed Southwest Missouri Conference, in which his membership has remained to the present, and of which he has been the Secretary for forty-two years. At the time of his retirement Dr. Woods enjoyed the distinction of having received an effective appointment for every year of his conference's history, and also that of being the surviving effective charter member of the conference.

## CERTIFICATE OF ORDINATIONS

I hereby certify that in the Methodist Episcopal Church, South, Neosho, Mo., on Sunday morning, September 16, I ordained the following deacons, namely: Raymond Benefiel Kimbrell, Festus Earl Jenkins, Claude Bridenthal, Lennie Shell Nightwine, Samuel Jefferson Starkey, traveling preachers.

And at the same time and place, assisted by elders present in laying on hands, I ordained the following elders, namely: George Bertram Snapp, Oattie Sims Firestone, Thomas Harrison Hickman, Lemuel Quincy Hargrave and James Dotrie Prater, traveling elders, and John Asbury Reid, a local preacher.

This makes a total ordination by me of 1,501 in thirty-one years of Episcopal service.

Given under my hand, this, the sixteenth of September, 1917.

(Signed) EUGENE R. HENDRIX.

## REPORT OF BOARDS

---

### AMERICAN BIBLE SOCIETY.

Dear Brethren:

A review of the reports of the several charges to this Conference discloses a really aroused interest in the American Bible Society Cause. For years your committee has been ashamed of our offering as compared with other and like Conferences of our church. Today we are pleased to note that the total offering reported by the pastors is \$527.67, as against \$245 paid last year.

If the brethren will cultivate this new enthusiasm, a like increase for another year will put our Conference in the class where it belongs. Four of our districts have shown active interest, while two seem to have neglected the cause.

The work of the American Bible Society in this war crisis can but challenge the deepest sympathy in the hearts of our people. A Bible in the hand of every soldier is not only a highly worthy aim, but a genuine necessity. This can only be accomplished through the aggressive support of men who love God and believe in the vital value of the Holy Scriptures.

One thing is sure and, to the thoughtful, clear, the only dependable safeguard for permanent peace is in teaching the nations of the earth the historicity of our Holy Bible, the philosophy of the Christian religion, and those elements of power entering into the life of the man, Christ Jesus, which enabled Him, without compromise or apology to give His splendid physique, His master mind and the rich blood of His love inspired heart upon the altar of service and sacrifice for mankind. Gentlemen, the American Bible Society for all the world proposes no less a program.

We, your committee, appreciate your response and plead for the largest things next year that we have ever done for the society.

U. V. WYATT, President

A. B. JACKSON, Secretary.

### CHURCH EXTENSION.

To the Bishop and Members of the Southwest Missouri Conference.

Dear Brethren:

In accord with the duties assigned us, we the Board of Church Extension, beg leave to submit the following report:

The General Board at Louisville has, through its corresponding secretary, Dr. W. F. McMurry, reported remarkable progress for the year. We express our own thanks and we believe that of the entire Conference, for Dr. McMurry's record book sent to us, so replete with facts and creditable suggestions.

We heartily endorse his plea for visits to the various District Confer-

ences in behalf of our cause and for a wider publicity and increased interest through the medium of the church press and the aid of special days.

The following grants were made this year:

-------------	------------

The report of the treasurer, W. J. Campbell, was received and adopted and his accounts, books and checks audited and found to be correct.

The following appreciation of our deceased secretary, T. H. Clayton, was ordered and approved:

Whereas, Our faithful and efficient secretary, Bro. T. H. Clayton, passed from labor to reward during the Conference year, therefore, be it resolved, that we as a Board feel very keenly our loss. In his official capacity as secretary of this Board he was courteous, painstaking and accurate. He did his work cheerfully and with a willing mind. In his deportment and outward contact with his brethren, he was a high minded and honorable gentleman. In spirit he was indeed a gentleman.

His conception of truth and righteousness was of a lofty character. In spite of the handicap of early environment and a serious physical infirmity, he resolutely set his face toward the accomplishment of a noble task in the service of God and the Church. How well he succeeded, those who knew most intimately the record of his heroic, self-sacrificing life, are best qualified to testify.

The memory of the life and character of this sweet spirited Christian brother, lingers with us like the odor of a precious ointment.

Goodbye until we meet again.

GEO. J. WARREN, Chairman.

E. W. BARTLEY, Secretary.

## REPORT OF BOARD OF EDUCATION.

We have insisted upon a more detailed report from our schools this year than formerly, and have gone carefully through their statements.

We find that our schools, with a few exceptions, are doing splendid work and undoubtedly have a great future.

Dr. A. D. Betts and Dr. J. A. Bray, representing Paine College for Negroes; Dr. Z. M. Williams, president of Central College for Women, and W. J. Campbell, president of the Board of Curators; Dr. W. H. Winton, representing Morrisville College; B. D. Sipple, representing Central College, Fayette, and Dr. H. M. Dobbs, representing Southern Methodist University at Dallas, Texas, were before the Board.

The policy of this Board is to adhere more strictly to the plan of concentrating our resources in a few adequately equipped and endowed schools.

This is not from unfriendliness or unwillingness to help all of them, but because of inability to secure the funds, for this reason it is considered expedient that we make no appropriation to Scarritt Morrisville College this year. We instead will send a commission, composed of J. T. Pritchett, C. E. Davis and J. E. McDonald, to investigate conditions and to see if they can, by working with the Board of Curators, find some way to conserve to the church and that community the benefits of this school.

It is the deep seated conviction of this Board that we should and will be solidly behind Dr. Z. M. Williams whenever he deems it advisable to begin a campaign for increasing the endowment and paying off the indebtedness of Central College for Women.

We note with pleasure the progress of the work of the Student Pastor at Columbia. One thousand Methodist students at the University come directly under the influence of his work. The meager efforts of past years have shown that the student body of the University is as responsive to the call of service as any group, anywhere, many have gone out to become ministerial students, volunteers for the foreign field, or to become secretaries of the Y. M. C. A.

We recommend that W. H. Moore and W. T. Swinney be appointed Curators for Central College for Women; that C. E. Ruyle, J. W. Henderson, J. B. Ellis, B. L. Cunningham and R. A. Harmon be appointed Curators of Scarritt Morrisville College; that F. M. Burton and Perry S. Rader be appointed Curators of Central College at Fayette. We ask that Z. M. Williams be appointed president of Central College for Women; that B. P. Taylor be appointed to the Commission of Missouri Methodists for religious work in the University of Missouri instead of W. M. Rader, resigned.

King Vivion is recommended as student in Southern Methodist University. J. E. McDonald is recommended for appointment as Conference Sec-

retary of Education. We ask that the following appropriations be preferred so that they net the following amounts:

Preachers' Institute .....	\$ 300.00
Junior Pastor at Columbia .....	350.00
Expenses of this Board .....	150.00
Other assessments are:	
General Board .....	\$2,071.00

#### REPORT OF THE EPWORTH LEAGUE BOARD.

This is the third time we are coming to you, and it is our hope that at least a measure of variety will mark our deliverage, whether our report stands for much else or not. We have been very fully informed as to the Epworth League work generally through the secretary, Dr. Parker, and rejoice with him and all the church in a year of real prosperity in the League work. Our Conference has had a year of real attainment and faces a year of yet better things, we are sure.

No institution of the church is more in the ascendancy today than the Epworth League. Once men debated seriously whether or not it should be continued. Time was when wise men were almost convinced that it was a useless organization. Out of this depth has come a new creation, vindicating its right to be by doing a work not done elsewhere.

As advisors, we would sound a warning regarding a possible danger, while congratulating ourselves that the Epworth League has grown to be serious enough to be thought worthy of being warned. The coming into power means the entrance into responsibility. We are in danger of allowing the problem of the relation of the League to the Church to be secondary to what is quite the different problem of the relation of the Church to the League.

The League is of the Church and for the Church. The Church is here for a certain purpose and all its institutions owe their being to their ability to help attain that purpose. The Church is of God, although an institution may not be. It is ours to see that, with the Church, the League may be also of God, preserved to the end of time for the conversion of the world, the confirmation of faith and the promotion of the eternal Gospel.

No service is so great nor so worthy of our Leagues as that of setting before the world an example of loyalty to the Church in its doctrines, its polity and its propaganda. The League is no longer a school, but has become a factor in doing the work of the world. More and more is it demonstrating that young people not only can study and dream, but that they can definitely give and serve.

Fifteen thousand dollars represents the sum given last year for mission specials through the young people's work; \$13,000 of this was for Africa, and the Leagues of the Southwest Missouri Conference have assumed for the next year no less than \$1,500 for this cause.

Among inspirational events none are superior to the annual summer Conference held at Pertle Springs. The 1917 Conference had an attendance of 500, a program of exceptional interest and strength, and was the occasion of a number of volunteers for special service in the mission fields and ministry.

We commend the serious purpose of the management to have every League in the Conference represented at the Pertle Springs Conference next year and believe that, with the present plan of visitation and correspondence, this may be almost attained.

We approve the five cents per member assessment for the maintenance of the Conference and urge that in addition to this a fund be started and maintained for the sending of delegates. We also urge that every pastor see that the \$2.50 chapter membership fee is paid by the Leagues, and that the one big goal of 100 per cent efficiency be reached and kept by every chapter. We commend the Standard of Efficiency adopted by the General Board, and while we recognize that some Leagues may not be able to maintain all, yet the whole represents such a worthy goal for all that even those which fail should rejoice because they failed while striving to attain so lofty an ideal.

We are for the Big Church-Wide Drive, an Epworth League in every congregation and every League aiming at the one standard before April 1, 1918. It is a cause we are glad to urge upon every pastor and every leader and every church. Some Conferences will probably fail. Let us

prayerfully determine that the report of this Board for 1918 shall be a record of the attainment of the goal.

We commend the Epworth Era to our people while urging its editors to feature in each number material that may be used in lesson preparation. Not every League has fertility of imagination and originating ability in its leaders to prepare programs, without some sort of worked out material. We do not believe that suggested programs, outlines and skeleton talks are helpful to any marked degree, but feel that the best help will come from appropriate readings, poems, illustrations and Bible explanations.

We are glad because of the enlarging spirit of fraternity between the Annual Conference Boards and the State Organization, and are looking forward to some results worthy the Church and the League.

We approve the plan to have the Conference Boards represented at the council meetings of the state officers, of the appointing of district League secretaries, of the increasing number of district institutes, and the prominence being given the work of the League at District Conferences and are glad that, in so much that is real and vital, we may have at least a little part.

Respectfully submitted,

H. J. RAND,  
A. B. JACKSON,  
O. S. FIRESTONE.

#### JOINT BOARD OF FINANCE.

Your Board is able to report a slight increase in receipts during the Conference years 1916-17, for Conference claimants. The increase, however, is but little more than enough to care for the additions to the list of claimants.

The ever increasing high cost of living makes it exceedingly difficult for our veterans, and the widows and orphans of our deceased brethren to pay for the bare necessities of life. Many of our claimants are aged and infirm, others are in poor health, some are mothers struggling to clothe, feed, house, and educate their children, most have but little of this world's goods, while the Methodist Episcopal Church, South, is a rich church, and its members are growing richer by leaps and bounds.

Your Board finds itself unable to pay in full the funeral expenses of our dead, without robbing the living of a portion of the pittance coming into its hands for distribution.

Your Board, therefore, is in hearty accord with the plans and purposes of the Board of Directors of the Methodist Benevolent Association, as outlined in its report read by Bro. J. E. Alexander before this body, that is, the plan to increase the funds of this Association to \$100,000 at the earliest possible date. To bring this enterprise to a successful issue requires a competent man, and a competent man demands and should receive a good salary.

The Board, therefore, recommends that an assessment equal to one per cent of the amount paid for the support of the ministry be levied on this Conference to assist in paying the salary of such agent.

The assessment on this Conference for Bishops' Fund for the year 1917-18 is \$1,962. We recommend that it be apportioned among the several districts as follows:

Kansas City District .....	\$ 415.00
Lexington District .....	325.00
Nevada District .....	350.00
Marshall District .....	350.00
Joplin District .....	261.00
Springfield District .....	261.00

An additional assessment of \$334 has been levied on this Conference to meet the expense of the commission on unification, which commission had not been appointed at the time the original assessment for delegates to General Conference was made and hence no provision was made for it at that time.

This assessment is apportioned among the several districts as follows:

Kansas City District .....	\$ 71.00
Lexington District .....	57.00
Nevada District .....	60.00
Marshall District .....	60.00
Joplin District .....	44.00
Springfield District .....	44.00

To these amounts should be added any unpaid balances on assessments for delegates to General Conference, and the whole amount should be collected and turned into the Conference Treasurer before the sitting of the General Conference, as the Trustees assure us that it will require every dollar of the original as well as the additional assessment to meet the expenses of the General Conference and the Commission.

The assessment for the Superannuate Endowment Fund shall be one per cent of the assessment paid for the support of the ministry.

The assessment for Conference Claimants shall be five per cent of the amount paid for the support of the ministry, and the preacher in charge shall be liable for the assessment on his pastoral charge for this purpose. Provided, that should the charge fail to pay his salary in full, then he shall be liable only for five per cent of the amount he receives as preacher in charge.

We recommend the following appropriations:

Your Board of Missions begs leave to report an increase of interest and zeal in the cause of missions as indicated by the prompt payments the first six months of the year, and by the final totals of \$17,396.11 for Home and Foreign Missions. Being an increase of \$374.62 for Foreign Missions and an increase of \$247 for Home Missions over last year's report.

2. That in as much as the number on our Board of Missions has been greatly diminished by the reduction in the number of districts in the Conference, that we request the Presiding Elders in nominating the Board for the next quadrennium to name two preachers and two laymen from each presiding elder's district.

3. That we hereby pledge ourselves to make an every member canvass in the interest of missions in our respective charges this coming year, and that wherever it is practical we will urge our people to take "specials" for missions as they may be able.

## REPORT OF SUNDAY SCHOOL BOARD.

To the Bishop and Members of the Southwest Missouri Conference of the Methodist Episcopal Church, South:

Dear Brethren:

We note with pleasure the continual success of this department of our church work.

The Year Book sent out by the General Board brings to us a very cheering and inspiring message.

There has been an increase of 129 Sunday Schools over last year. An increase of 4,061 teachers and officers; 76,788 pupils have been added to our rolls; 75,742 Sunday School pupils have been received into the church during the year.

## Standard of Efficiency.

We continue to urge every pastor and superintendent to do everything within their power to bring their Sunday Schools up to the Standard of Efficiency given us by the General Board.

### Children's Day.

We are gratified to report an increase in the number of Sunday Schools observing Children's Day. We urgently appeal to every pastor and superintendent to observe this day and take an offering to meet the growing demands of our work.

### Food Conservation.

Your Board heartily endorses the sentiment expressed in the appeal of Dr. E. B. Chappel in the matter of Food Conservation, and respectfully urge our Sunday Schools throughout the Southwest Missouri Conference to co-operate with Mr. Hoover in all the ways we can in meeting an urgent necessity in this time of peril, which our nation is now facing.

### Teacher Training.

We desire to call special attention to the importance of organizing Teacher Training Classes, and in order to get this matter before us in a definite form we present the following resolution:

Whereas our divisional secretary, Mr. Nugent, has proposed a Division-wide Teacher Training Campaign for the Middle Division for the next Conference year, with a definite goal of 387 new Training Classes, an average of one new class to each ten Sunday Schools, and

Whereas said proposition has been submitted to the chairmen of the Conference Sunday School Boards of the Division and has received their unanimous endorsement,

Be it resolved, that we approve the plan, accept our apportionment of thirty classes, and make the securing of them a part of our program for the year.

Be it further resolved, that this resolution shall be incorporated in the report of this Board to the Conference.

### District Elementary Superintendent.

By action of the General Sunday School Board, authorizing each Annual Conference to appoint a Conference Elementary Superintendent, and believing this need is important for the best interests of our work, we recommend that Miss Gussie Gove, of Linn, be appointed to fill this important position.

J. E. ALEXANDER, Secretary.

**METHODIST BENEVOLENT ASSOCIATION.**

Resolved, that we, the members of the Board of Directors of the Methodist Benevolent Association, request the Southwest Missouri Conference to levy an assessment upon the Conference equal to one per cent of preachers' and presiding elder's salaries for the next year; for the purpose of placing an agent in the field with a view of increasing our permanent endowment fund to \$100,000.00 at the earliest possible date.

C. W. SCARRITT, President.  
J. E. ALEXANDER, Secretary.

**BOOKS AND PERIODICALS.**

Dear Brethren:

The Committee on Books and Periodicals beg leave to submit the following report:

We believe that our Sunday School literature to be as good as that furnished by any church and we are firm in the opinion that all our schools should give all their patronage to our own publishing house. Not only

should denominational loyalty prompt us to do this, but if our young people are to know and become interested in the enterprises of our Church, they must be trained through our own publications.

We trust that the young people of the Epworth League may be urged to make the fullest possible use of the Epworth Era.

The Nashville Christian Advocate ought to be in the hands of every pastor who hopes to be in the fullest touch with the work of the Church. Its wide range of subject-matter and strong and wise editorial policy make it invaluable. So far as possible all should urge it upon the officials of our Church.

We recommend the Methodist Review to all our preachers. Especially do we urge our young preachers to read it thoroughly and carefully. If they are to reach the highest degree of capability they must read the best books and strongest magazines. And we think our own Review is worthy of a high place in our reading and study.

One of our most important interests at this time is the circulation of the St. Louis Christian Advocate. Let us make an honest effort to place it in the hands of our people. Let us give to the Editorial Committee our fullest co-operation and we believe our pastors should be full and ready to suggest to the committee anything that will help to meet the demands of our people.

We recommend that John F. Caskey be continued as our representative on the Editorial Committee.

CHAS. N. CLARK, Chairman.

## EDITORIAL CONDUCT OF THE ST. LOUIS CHRISTIAN ADVOCATE.

Dear Brethren:

Your committee on the Editorial Conduct of the St. Louis Christian Advocate, consisting of R. H. Cooper, for the Missouri Conference; J. F. Caskey, for the Southwest Missouri Conference, and J. E. Godbey, for the St. Louis Conference, held a meeting at the hotel in Richmond, the seat of the Missouri Conference, at 2:30 p. m., Sept. 5th; all the members of the Committee being present, also Hon. John A. Rich, trustee of the paper for the Southwest Missouri Conference, S. P. Emmons, for the Missouri Conference and Rev. Arthur Mather, Business Manager for the Advocate.

A financial exhibit of the income, expenses, assets and liabilities of the paper was presented to the Committee. This exhibit showed that the income of the paper, since it has come into possession of the church by the will of the late W. B. Palmore, had paid its running expenses and about \$1,500.00 indebtedness; but the salary of the editor, \$1,500.00 a year to Dr. C. C. Woods and \$1,200.00 a year to the Business Manager, had been paid only in part—fully one-half of their claims being in arrears. This does not constitute a liability, since it was understood that these salaries were contingent and should be paid out of the surplus of receipts after the running expenses had been paid. The Committee received and accepted the resignation of Dr. C. C. Woods, as editor of the paper, to take effect October first, 1917.

For the future conduct of the paper your committee recommends that the following resolution be adopted by the Conference:

"First—That the Business Manager, who shall be appointed by the Board of Trustees, be authorized to pledge the Church in the three conferences of our Church in Missouri, for the payment of any deficiencies that may arise necessarily in meeting the current expenses of the paper, not including the salaries of the Business Manager and Editors, which shall be paid out of the overplus of receipts, after all running expenses besides have been paid.

Second—That Rev. Arthur Mather be recommended to the Board of Trustees for Business Manager and Acting Editor of the paper and that his salary be fixed by the trustees; the same to be paid only out of the surplus of receipts as before stated.

Third—That the editorial policy and conduct of the paper shall be under control of the Editorial Committee who shall be represented by a Superintendent, whom they shall elect, who shall reside in or near the city of St. Louis, and should not only write editorials for the paper but shall supervise all matter published in the paper, and aid its circulation in any way he can, and that his salary be fixed by the trustees and be paid pro rata with that of the Business Manager, out of any fund that may be available under the conditions already stated.

Fourth—That this report be submitted to the Board of Trustees of the St. Louis Christian Advocate and that its provisions for conducting the paper shall become effective when said Board of Trustees shall signify to the church their approval of these conditions.

Resolved that we express to Dr. C. C. Woods our appreciation of his very generous and efficient service to the Church in the Editorial Conduct of the St. Louis Christian Advocate and that we hold him Editor-Emeritus of the same.

R. H. COOPER,  
J. F. CASKEY,  
J. E. GODBEY.

## ENDORSEMENT OF THE PRESIDENT'S WAR POLICY.

We deeply deplore the existence of a spirit of disloyalty that exists in some sections of our state and we hereby place ourselves on record as being in hearty accord with the governor of this state in all his efforts to bring the state of Missouri to the front in the matter of patriotic obligation. We pledge the Council of Defense our hearty co-operation and give our unhesitating, unanimous and most enthusiastic endorsement of President Woodrow Wilson in his pronounced war policies. We hereby pledge ourselves to renewed allegiance to our government and loyalty to him. And we ask all our ministers to recognize the call of the Council of Defense of our state and preach special patriotic sermons and in every possible way foster the spirit of loyalty and patriotism in this the most perilous hour in the history of not only our nation but the civilization of the world.

## REPORT OF COMMITTEE ON EVANGELISM.

In this age of struggle and readjustment, when the combined forces of Paganism and Mohammedanism are assailing the foundations on which rest the liberties of nations and baptized worldliness and greed for gain are invading the sacred realm of religion and laying profane hands upon the solemn transactions which bind the hearts of men in filial devotion to the great fatherly heart of God, it behooves us as ambassadors of Jesus Christ to place new emphasis upon the fundamental teachings of the old Book, as interpreted in the light of modern devout scholarship, and to direct our efforts in conformity to the great spiritual landmarks set up for us by the human founder of Methodism, and adhered to with such amazing religious results by the pioneer preachers who blazed out in the wilderness a way for the kingdom of God in this western world.

The conversion of souls by the power of God under the faithful preaching of the blessed Gospel of His Son was never more essential to the progress of true religion than now and multiplied thousands of people who were brought into the Church in childhood under the most approved methods of Christian culture are now in need of the experience of divine grace which brings the joyful assurance of pardon and without which all religious activity is almost certain to prove irksome, if indeed it be not sooner or later altogether abandoned.

It is the judgment of your committee that, while there should be no relaxing of interest in the religious up-bringing of our children and in the personal leading of men through the individual efforts of their fellows into the Church and Kingdom of God, constant pains and unceasing prayer are needful in order that the growing believers may be kept fervent in Spirit, and that without an earnest application of the truths of the Gospel to the consciences of men in demonstration of the Spirit and of power we shall not be able to maintain in our congregations that standard of spiritual life without which the Christian conquest of the world can never be made.

The setting apart of special seasons for revival effort have been signally blessed of God in the past and we record with pleasure the fact that during the year now closing many charges in the Southwest Missouri Conference have been visited with gracious revivals of religion, not a few of which have been conducted by our Conference Evangelist, Rev. R. F. Campbell, who has led in twenty evangelistic campaigns resulting in 1,395 professed conversions and 1,221 accessions to the Church, 675 of them to the Methodist Episcopal Church, South.

We recommend the re-appointment of Rev. R. F. Campbell as Conference Evangelist and take pleasure in commending him to the confidence of any of our brethren who are in need of evangelistic help.

Respectfully submitted,

O. M. RICKMAN, Chairman.

J. B. SWINNEY, Secretary.

J. T. PRITCHETT.

#### DISTRICT CONFERENCE JOURNALS.

We, your Committee appointed to examine District Conference Records, beg leave to submit the following report:

All the records were before us. In the case of the Marshall District record; under the topic "Character passed and license renewed" it is the judgment of the committee that error should have been erased instead of being crossed out.

The minutes of the Joplin District are not signed by the secretary and presiding elder. Otherwise all the records are in good form and faithfully and well kept.

The Kansas City District Journal deserves special mention for its neatness and good penmanship.

W. H. HESLAR, Chairman.

R. J. KYLE, Secretary.

#### TEMPERANCE.

We, your Committee on Temperance, beg leave to submit the following report:

The hosts of our great Church are battling against sin in all its forms and bearing forward the banner of the Cross to the certain victory our Lord has promised.

Among all those forms of sin in the world, we see, towering above all the others, this parasite on the human family, the liquor traffic. And he who fights sin must stand against this greatest of all evils. It is against the Church, the state, the home, the mind, the body, the soul. Manhood, patriotism and the religion of Jesus Christ demand of us that we move in solid line against this great evil and drive it from state and nation.

It behooves us to use every means at hand, that is honest and legitimate, to put down this evil. We believe the Anti-Saloon League has rendered and is rendering the greatest assistance in the fight, both in state and nation. They are well organized and have the field manned with capable, fearless

men, who have the faculty to find out the truth and who dare to tell it.

Therefore, we recommend the Anti-Saloon League to the Conference as the organization best adapted to help us win over the wet territory in Missouri to the dry forces and make our grand old state take her place among the dry states! Also to help us elect a dry legislature, pledged to ratify the national prohibition amendment in the Missouri legislature.

We also recommend that our pastors offer their pulpits to the League's representatives, thus aiding them to reach the people with their facts. And that we lend ourselves, both preachers and laymen, to help this great fighting machine force back the liquor traffic. -

We commend W. G. Beasley for his most efficient work in the League and recommend his re-appointment as District Superintendent in the Anti-Saloon League. We also recommend the election of W. T. McClure and C. C. Carson as trustees for the Anti-Saloon League.

F. M. LOONEY, Chairman.

J. R. SCOTT, Secretary.

T. A. HUFFINE.

T. C. PUCKETT.

## MEMOIRS.

We, your Committee on Memoirs beg leave to submit the following report:

We had referred to us the names of T. H. Clayton, W. L. McGuire and Milton Adkisson, as having died during the year for whom we herewith present short memoirs.

We also submit for records memoirs of Mrs. W. S. Woodard, Mrs. T. P. Cobb, and Mrs. W. B. Cobb, preachers' wives as having died during the year.

Signed,  
 W. H. COMER.      W. H. WINTON.  
 G. J. WARREN.    W. P. BEWLEY.  
 S. P. CAYTON.

### REV. W. L. MCGUIRE.

The Rev. W. L. McGuire was born in Virginia in 1851, died in Cumby, Texas, June 17, 1917, in the sixty-seventh year of his life. He came to Missouri soon after the Civil War and settled near Springfield where he lived and labored for many years. He was converted early in life, and soon felt the call to preach but persistently declined to answer until bereavement came to him in the death of three of his children and the serious illness of another, when he yielded and soon became a preacher of unusual earnestness and power. He was a most remarkable man in prayer, and a thorough student of the Bible which he could use in his preaching with telling effect.

The following, taken from the Texas Christian Advocate, written by his pastor, Rev. J. L. Sullivan, is a just tribute to this good man:

"In the going of our dear brother minister, Rev. W. L. McGuire, our town and the Church at Cumby suffer great loss. Upon being given the superannuated relation by his, the Southwest Missouri Conference of the M. E. Church, South, about eight years ago he came with his family to live in Cumby. That this well defined Christian character was appreciated by the people here is evidenced in that the men of the town agree that a good man has gone from our midst, whose wholesome influence will be missed.

"His was a remarkable, unique career. He built many churches and parsonages where he served as pastor; saw thousands converted under his ministry; he preached with clearness and power, but those who knew him in his prime say he was most remarkable in prayer. It is said when one hardened in sin would go to the altar for prayer he would some times pray for more than an hour, telling God he would die in the place if He did not save the penitent, his prayers in such instances being answered.

"He was a circuit preacher; itinerating, he did not often move. He served for thirty years without crossing the lines of the Springfield District, serving two charges two full quadrenniums each.

"His brethren laid his body to rest beneath the soil on which his battles were fought and won in the presence of many co-laborers. We join them in "Peace to his ashes until he arise to receive his crown; which the Lord, the righteous Judge will give."

The burial was at Republic, Mo., attended by the son, three daughters, and a host of sorrowing friends. But they sorrow not as others who have no hope, for we believe that Jesus died and rose again and those that sleep in Him will God bring with Him."

—W. H. COMER.

#### REV. MILTON ADKISSON.

Rev. Milton Adkisson was born in Napton, Saline County, Mo., April 29, 1835. Died at his home in Fayette, Mo., Sept. 12, 1917, after weary months of patient suffering. He is survived by his faithful companion of many years, and one son and three daughters.

Early in life he became a Christian and soon heard the call to the ministry. He was admitted on trial into the St. Louis Conference in 1855, and remained in Conference relation to the time of his death. His was a faithful ministry in those times that tried men's souls but he was ever faithful to his calling and true to his church.

Brother Adkisson was a man of such splendid qualities that he endeared himself to his brethren who ever held him in high esteem, and his going is keenly felt. He was a good man and a strong preacher in his time. It was said by one who heard him many times in his strength, "I never heard him preach a great sermon, neither did I ever hear him preach a poor sermon. His ambition was to be true rather than great.

For many years he has been unable to preach but his life has been patient and beautiful, and the end was peaceful.

"Servant of God, well done;  
Rest from thy loved employ;  
The battle fought, the victory won,  
Enter thy Master's joy."

#### REV. T. H. CLAYTON.

Rev. T. H. Clayton departed this life at Barnes Hospital, St. Louis. Two precious children survive with Mrs. Clayton to mourn the loss of husband and father.

Brother Clayton was converted and united with the church in youth. His call to the ministry was clear and forceful, and his consecration to it as a life work was complete. He refused to be diverted from it by the tempting offers of lucrative positions in business for which he was well qualified. He had a good mind, well trained, and stored with useful knowledge. His preaching was lucid and strong, always sound and instructive. He drew men to him by the silent forces of a beautiful Christian life.

He was admitted into the St. Louis Conference in 1896, afterwards transferred to the Southwest Missouri Conference, and at once took an important place and held it to the end of his useful life. One who knew him well and loved him much, says of him, "Though often embarrassed by physical affliction, yet, in that frail body was the soul of a giant. No wonder we love him."

His remains rest in the beautiful little cemetery at Calhoun, Mo., to await the coming of the Lord he served so well and loved so much.

**MRS. W. S. WOODARD.**

Elizabeth B. Spencer, was born in Franklin County, Missouri, July 21, 1831. Converted and grew to womanhood in the Methodist Church. She was united in marriage to Rev. W. S. Woodard in September, 1852, and for more than sixty years she was a true helper in the work or waiting of the preacher.

On the 9th of April, 1917, she entered her well earned rest. Her Christian faith and patience were evidence in her years of uncomplaining suffering, but, at last her frail body sank to rest and the freed spirit returned to the God who gave, leaving the son and three daughters to mourn the going of mother. But they sorrow not as those without hope; they believe that Christ died and rose again and those who sleep in him will God bring with Him.

**MRS. T. P. COBB.**

Mrs. Frances C. Cobb, nee Wagoner, was born in Tennessee, November 2, 1846. Died at her home near Odessa, Missouri, January 30, 1917. She was happily united in marriage with the Rev. T. P. Cobb, May 15, 1866, who left her earthly home to enter into His rest, less than two years ago. Through the many years of her husband's itinerant life as a Methodist preacher, she was a true helpmate. She was always true in those days, that tested the metal of the preachers. Her faith was strong, and her life adorned by the Christian's graces was quiet and beautiful. Her last days were her brightest, and in them she longed for the city whose builder and maker is God." She expressed the wish to join her companion, and soon fell asleep to await the resurrection morning.

**MRS. W. B. COBB.**

Sister W. B. Cobb, the faithful and true wife for many years of the late W. B. Cobb, after months of suffering patiently endured, quietly fell asleep in the evening of September 14, 1917.

Sister Cobb lived a beautiful and helpful life as a companion to her itinerant husband whom she has now joined in the home of the good where they together may rest from their labors.
